

# LINDSEY JACOBS

Assistant Director,  
Legacy Planning  
University Advancement  
**Chapman University**

## Biography

Lindsey Jacobs has worked in planned giving for more than seven years, working with supporters of Chapman University to create their personal and meaningful legacies through charitable giving. In addition to working at Chapman, she has also earned two degrees from Chapman, a bachelor's in theatre and a master's in leadership development. In 2020 she became a certified specialist in planned giving in order to better serve the Chapman Family as a philanthropic advisor.
