Gift Annuity Rates

Most non-profits follow the recommended rates set by the American Council on Gift Annuities (ACGA).

- The rate is based on your age at the time you set up the gift annuity
- Once you establish a gift annuity, the payment never changes
- Only a new gift can qualify for a new rate
- A different rate chart is used for 2-person gift annuity
- ACGA recommended rates are evaluated twice per year
- Current rates became effective January 1, 2023

Rates displayed are for an immediate one-life gift annuity

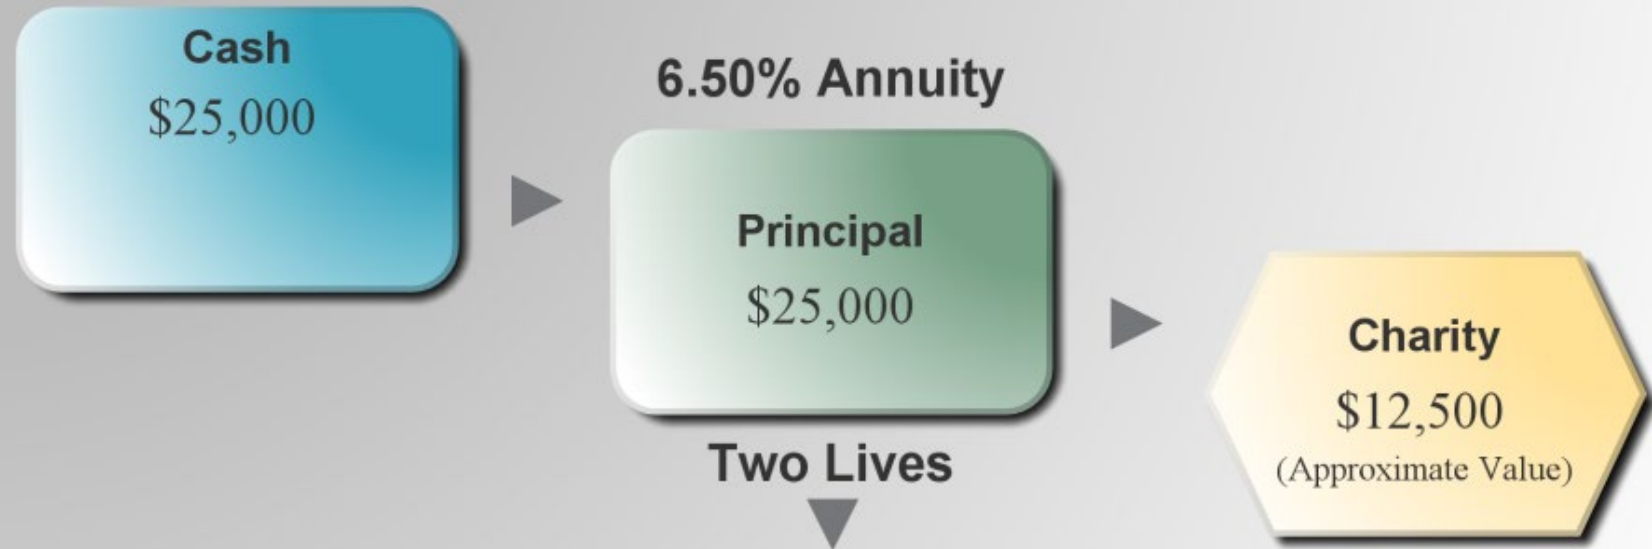

- Two-life annuities payout at a slightly lower rate
- A deferred annuity will pay a higher rate
